

Breast Care Workshop Schedule

September 18-21, 2011

Workshop Faculty

(Faculty and participants arrive on September 17th and depart on the 22nd).

Special Guest

Ms. Nancy Carter-Foster

Senior Advisor for Global Health Affairs for the U.S. Department of State

Senior Faculty

Edward Azavedo, MD, PhD

Director of Clinical Breast Imaging Services
Associate Professor of Radiology
Karolinska University Hospital
Stockholm, Sweden

Lucile L. Adams-Campbell, Ph.D.

Professor of Oncology
Associate Dean, Community Health and Outreach
Associate Director, Minority Health and
Health Disparities Research
Lombardi Comprehensive Cancer Center
Georgetown University Medical Center

Debra M. Ikeda, M.D

Professor of Radiology- Diagnostic Radiology
Chief of Stanford University Breast Imaging Section
Stanford Comprehensive Cancer Center

Ruth O'Regan, MD

Associate Professor and Vice-Chair, Department of Hematology and Medical Oncology,
Chief of Hematology and Medical Oncology Georgia Cancer Center for Excellence
at Grady Memorial Hospital
Louisa and Rand Glenn Family Chair in Breast Cancer Research,
Winship Cancer Institute of Emory University

Andre Van Steen, MD

Clinical Head of Mammography (Radiology)
Head Radiologist of the Leuven Breast Cancer Screening Unit
Academic Consultant University of Leuven

Jo Anne Zujewski, MD

Head - Breast Cancer Therapeutics,
In the Clinical Investigation Branch of the Cancer Therapy Evaluation Program (CTEP)
The National Cancer Institute

Hellenic Faculty

Dimitrios Boumpas, MD, FACP

Chairman of the Center of Panagia
Philanthropini Scientific Committee

Professor of Medicine
The University of Crete

Argyrios Doumas

Ass. Professor of Nuclear Medicine
University of Thessalonike

Panagiotis G. Gregoriou, MD, PHD

Clinical Neurologist Psychiatrist
Polygyros General Hospital
Chalkidike, Greece

Lieutenant Michael Klimatsidas, MD

Cardio-Thoracic Surgeon
424 NATO Military Teaching Hospital
Thessalonike

Kalliopi Pazaitou-Panayiotou, MD

Asst. Director of the Theageneion Cancer Center
Thessalonike

Major Constantine Neanides

Oncologist
424 NATO Military Teaching Hospital
Thessalonike

Despina Sanoudou, PhD FACMG Cibiol

Assistant Professor
Department of Pharmacology
Medical School
University of Athens &
Molecular Biology Division
Biomedical Research Foundation of the Academy of Athens

Sunday, September 18, 2011
Opening of Workshop

7:00 p.m. Official Welcome

"Welcome on Behalf of The Ormylia Foundation"

Prof. Dimitrios Boumpas

Greeting on behalf of the Susan G. Komen For the Cure Foundation

Greeting on behalf of Hologic, Inc. Mr. Robert A. Cascella, President and Chief Executive Officer

A Word of Welcome

Catherine Kay, US Consul General

"Surviving Breast Cancer and Advocating for the Cause of Breast Care for All Women"

Ms. Nancy Carter Foster

Global Perspective

"The Global Burden of Breast Cancer."

Prof. Jo Anne Zujewski, MD

"The Radiologist's Role in Multi-Disciplinary Breast Care"

Prof. Debra Ikeda

"Establishing a Common Baseline of High-Quality Service for Underprivileged Women Internationally; Goals to be Met and Hurdles to Overcome"

Prof. Edward Azavedo

"The Role of Educational Activities in the Decreasing of Disparities in High-Quality Breast Cancer Screening"

Prof. Ruth O'Regan

Ormylia Past & Present

"The Ormylia Foundation: A Brief History"

Prof. Emeritus Basileios Kekis

"The Ormylia Workshops from the Beginning, Making an Impact in Breast Care in Developing Settings"

Prof. Andreas Van Steen

Official Opening by the *Very Reverend Archimandrite Serapion*, Chairman of the Ormylia Foundation

8:30 p.m. Family Dinner at the Center

**Monday, September 19, 2011
Workshop**

During the workshop Danielle Chau, a student from Brown University, will be meeting with each country delegation to conduct a background needs assessment to develop ideas for future programs.

8:00 a.m. Breakfast at the Hotel

9:00 a.m. Welcome and Introductions

9:15 a.m. "Breast Cancer Risk and Prevention"

Prof. Jo Anne Zujewski

"Breast Cancer Subtypes"

Prof. Ruth O'Regan

"Breast Ultrasound Exam"

Prof. Debra Ikeda

"Interval Cancers in Mammography"

Prof. Andre Van Steen

10:45 a.m. Coffee & Informal Discussion

11:00 a.m. "Targeted Therapies in Metastatic Breast Cancer."

Major Constatine Neanides

"Ultrasound Needle Biopsies - Core and FNA"

Prof. Edward Azavedo

12:00 p.m. (Meeting of NCI- GMU- IAEA Group while practicum takes place.)

Mammography and Ultrasound Biopsy Practicum for Participants

Room 1--Prof. Andre Van Steen: Film Reading

Room 2--Prof. Debra Ikeda & Prof. Edward Azavedo: Ultrasound Biopsy

Room 3--Prof. Ruth O'Regan: Evaluation of Breast Images

1:00 p.m. Lunch at the Center

2:00 p.m. "Molecular imaging using light-absorbing imaging agents"

and a clinical optical breast imaging system"

Prof. Debra Ikeda

"Management of the Patient with Newly Diagnosed Breast Cancer"

Prof. Ruth O'Regan

"Breast Health Global Initiative"

Prof. Jo Anne Zujewski

3:30 p.m. (Meeting of NCI- GMU- IAEA Group while practicum takes place.)

Mammography and Ultrasound Biopsy Practicum for Participants

Room 1 --Prof. Andre Van Steen: Film Reading

Room 2--Prof. Debra Ikeda & Prof. Edward Azavedo: Ultrasound Biopsy

Room 3--Prof. Ruth O'Regan: Mechanisms of cancer growth, Physical sciences and invasion

5:00 p.m. Departure from Center

7:00 p.m. Dinner

Tuesday, September 20, 2011 Workshop

8:00 a.m. Breakfast

9:00 a.m. To Be Announced

Ms. Nancy Carter Foster

"Cultural Aspects of Breast Cancer Prevention: Rethinking Risk and Prevention"

Prof. Ruth O'Regan

"Staging using non-ionizing radiation imaging techniques."

Prof. Debra Ikeda

"The Role of Clinical Breast Exam and Breast Self-Exam"

Prof. Edward Azavedo

10:15 a.m. Coffee & Informal Discussion

10:30 a.m. "Experience of the ACR in Setting MQSA Standards and their Impact on Clinical Quality."

Prof. Debra Ikeda

"Importance of daily quality controls and the prevention of artifacts in daily practice."

Prof. Andre VanSteen

"Evaluation of Calcifications on Mammograms"

Prof. Edward Azavedo

12:00 p.m. "The Relationship between Obesity and Breast Cancer"

Kalliopi Pazaitou-Panayiotou, MD

"The Role of the Thoracic Surgeon in the Management of Metastatic Breast Cancer"

Lieutenant Michael Klimatsidas

"Anxiety and Breast Cancer in Women"

Panagiotis G. Gregoriou, MD, PhD

1:00 p.m. **Lunch at the Center**

2:00 p.m. **"Radiologic-Pathologic Correlation"**

Prof. Edward Azavedo

"Outreach to underprivileged populations: gaining women's trust"

Prof. Ruth O'Regan

"Associations of Physical Activity with Quality of Life during Treatment."

Prof. Lucile L. Adams-Campbell

3:30 p.m. **(Meeting of NCI- GMU- IAEA Group while practicum takes place.)**

Mammography and Ultrasound Biopsy Practicum for Participants

Room 1--Prof. Andre Van Steen: Film Reading

Room 2--Prof. Debra Ikeda & Prof. Edward Azavedo: Ultrasound Biopsy

Room 3--Prof. Ruth O'Regan: Evaluation of Case Studies

5:00 p.m. Departure from Center

7:00 p.m. **Dinner**

Wednesday, September 21, 2011

Workshop Conclusion

8:00 a.m. **Breakfast**

9:30 a.m. **"Modalities for clinical assessment of the breast in settings where access to mammography is limited."**

Prof. Ruth O'Regan

"Importance of good pathology reports and how to get them in developing settings."

Prof. Edward Azevedo

"Accurately and efficiently interpreting and reporting on mammograms in accordance with the ACR BI-RADS"

Prof. Debra Ikeda

"The use of herbal substances, vitamins and other folk remedies in low resource settings. Possible suggestions that are low cost."

Prof. Lucile Adams- Campbell

11:00 a.m. **Coffee & Informal Discussion**

11:15 a.m. **"Workshop Reflections and Overview of Interviews."**

Danielle Chau

General Panel Discussion - the need for pilot centers of excellence in developing settings.

All Faculty

Closing Remarks

Br. Charles Anthony

Certificate of Participation Presented by the Faculty and Group Picture

1:00 p.m. **Family Lunch at the Center**

2:00 p.m. Meeting of the NCI-GMU- IAEA group

*Time for private consultation with the expert faculty
Image practicum and case study reviews.*

Countries Participating

(Faculty and participants arrive on September 17th and depart on the 22nd).

***Albania
Armenia
Azerbaijan
Bosnia and Herzegovina
Georgia
Kenya
Turkey***
